Interment records of
Greenwood Cemetery
vol. 1, 1895-1916
ABS-5678

30.00

Special thanks to those members of Muskingum County Genealogical Society who have volunteered so many hours of their time, copying, compiling, and correlating these books, enabling us to bring you these records, of one of Zanesville' oldest cemeteries....GREENWOOD.

GREENWOOD

This cemetery, first laid out in 1835 was then called "City Cemetery". The original tract of land, slightly less than seven and one half acres, was purchased from Richard Stillwell, on March 5,1835, for $476.00. Since that time, there have been many additional land purchases making this, one of Zanesvilles' oldest cemeteries, covering aproximately 100 acres. It includes all of the land lying north of Greenwood Avenue to inter-state 70, and east of Cemetery Street to the south fork of Coal Run Road.

In 1869 Zanesville City Council authorized control from the city to a Board of Trustees.

Few records were kept of burials and it was only when the City Council authorized a permanent record that proper identification of lots, and etc. were kept.

Many bodies were removed from their resting place in the older cemeteries to City Cemetery, when it was first opened. Sarah Ann, wife of Jacob Stout, is recorded as being the first person laid to rest in City Cemetery, on Sunday, October 24,1835. The second was Lott Barr, a carpenter, and the third is recorded as being, James Durban.

On June 22,1887, the Board of Trustees unanimously resolved, "That the name of the cemetery known as the City Cemetery, be changed, and that said cemetery shall be named and hereafter called, Greenwood".

EDITOR'S NOTE: We regret to inform you that this, Vol.I of Greenwood Cemetery Interment Records, begins with the letter "B". The portion of the book containing the letter "A" no longer exists due to age & water damage, and therefore could not be copied.

Also, although the cemetery opened in 1835, the records do not begin until 1865 as Vol. I shows. However, there are a few earlier burials recorded throughout the book.
